Artificial Intelligence Is The Topic Of The Day At WIL's Quarterly Luncheon

[Lisa Jordan](#), Vice President of Delivery for [CG Infinity](#), will keynote the Women in Leadership's last quarterly luncheon for 2023 on "AI: Treasure Chest or Pandora's Box?"

Jordan believes people can solve the most complex and confounding business problems with the right mix of teamwork, processes and technology. For more than 30 years, she has helped business and technology teams create and evolve new capabilities from concept to reality. Emerging technology leaves her both amazed and skeptical, with a desire to find practical applications that will create value.

Don't miss this hot topic event!

COMPREHENSIVE PLAN UPDATE
ENVISIONRICHARDSON.COM

What Do You Envision For Richardson?

There are only a couple weeks left to contribute your feedback during the second Community Summit for the City of Richardson's [Envision Richardson Comprehensive Plan Update](#).

The Comprehensive Plan reflects the community's vision for the future and will serve as a guiding document for land use, property development, and future zoning decisions. It also informs choices regarding public investments in transportation and other infrastructure enhancements required to support future growth.

Active community involvement and input are vital to the project! This Community Summit builds on input gathered during the first Summit held this past summer (June/July) and will gather feedback on the draft preliminary Vision Statement and Guiding Principles, as well as initial input on land use PlaceTypes, housing, and the vision for proposed Reinvestment Areas. The Summit began Sunday, October 1 and will conclude Sunday, November 5.

Here's how you can get involved:

- **Attend the upcoming Open House Meeting:** Join the City at an Open House meeting where attendees have the chance to provide input and engage in conversations with project staff on Saturday, October 28 from 10 am to noon at the Heights Recreation Center, 711 E. Arapaho Road.
- **Provide Feedback Online:** If you cannot make it to the open house in person, the [online survey](#) allows you to provide input from the convenience of their computer or mobile device. The survey replicates the input stations at the open houses. The Survey (as well as the full website) are equipped with Google Translate, enabling you to view and provide input in your preferred language (nearly 100 in total).

If you have any questions, contact the City of Richardson by calling 972-744-4250 or sending an e-mail to AskEnvisionRichardson@cor.gov.
