Women in Leadership

This year's theme for the chamber's Women in Leadership is "reimagine." Speakers focused on rethinking leadership, personal and professional rejuvenation and recreating success strategies post pandemic. Sponsor is Methodist Richardson Medical Center and associate Texas Bank and Trust.

Beyond that, this group has shown up and had a great time during their Women4Women networking events! Outdoor yoga at the Ricardson IQ. A personal stylist and hair and makeup artist gave tips at JengChi restaurant. Mayor Pro Tem Janet DePuy hosted an art walk through CityLine. November's Women4Women event included making charcuterie boards at The Drawing Board.

Leadership Richardson

LR strives to grow leaders who can cross divides, build bridges and solve complex issues whether in their communities, volunteer activities or workplaces. This year's group (the greatest class) has had four sessions with their 42 students.

Richardson Young Professionals

Richardson Young Professionals met to network as well as support their community. One of their favorite activities is the Chocolate Drop for patients undergoing cancer treatment at **Methodist Richardson Medical Center**. More than two wheelbarrows of chocolate were collected. They also helped stock the food pantry at the **Network for Community Services**.
