Community members visited with more than 55 charitable organizations on July 12 at our annual Non-Profit Fair, sponsored by [America's Credit Union](#), [Credit Union of Texas](#), [Frost Bank](#), [Legacy Print Group](#) and [Methodist Richardson Medical Center](#). The event provides a free opportunity for local non-profits to share their mission and connect with potential donors and volunteers. To meet increased interest by exhibitors, this year's event was held at West Coast University.

“I have been to many of these over the years, and I can say that this is the best run and most successful event of this kind I’ve ever attended,” said Lisa Wall, Development Manager for Ability Connection. *“I’ve already gotten interest from potential volunteers, donors and board members!”*

Get To Know The Chamber Team

We thought our members would like to learn a bit more about the friendly faces that greet you at our office, events and meetings, so we're continuing this feature highlighting our dedicated staff!

Ginger Tonne, Business Engagement Specialist

How long have you been with the chamber and what is your job?

I've been working for the Chamber for 14 years. My current title is Business Engagement Specialist. I manage membership sales/service - restaurants, the nonprofit workshops and fair, and I'm the staff liaison for the Richardson Business Network group.

Tell us about your family.

I've been married to a wonderful man, Bob Tonne, for 45 years. We have two beautiful children - one son Jonathan "Grant" and one daughter Alicia Tonne. They're both very successful with their careers.

What is a fun fact no one else knows?

I love classic and current vampire movies and their cinematic history. Since they are not real, they are not scary to me - just fun. My favorite is The Lost Boys.

Describe your perfect day.

It would be breakfast with family, then quiet time reading or watching Formula 1 or a movie and ending with a bubble bath and a nice meal with my husband.

What's the last photo you took with your phone?

A photo of my husband and me. We have been traveling more recently. Bob loves to visit Civil War heritage sites, and I love old homes from the 1700-1800's.

Thank you, Ginger, for all you do to support and grow the chamber!
